Our Vision is to passionately support individuals and their families to lead fulfilled lives.

Our mission is to provide quality lifestyle support and accommodation services to enable people with moderate, severe and complex disabilities to enjoy active fulfilled lives."

Enhanced Community Living

Our team is incredibly passionate about supporting individuals and families to establish a true sense of belonging and value within the community.

Recreation and Holidays

Offering recreational programs and assisted holidays, the services provided allow families to partake in life in more meaningful ways.

Healthy Lifestyle

Active healthy programs and activities are provided to enhance lifestyle and to promote improved feelings of wellbeing, confidence, self-empowerment and self-esteem.

Flexibility and Choice

Offering a range of flexible options, we provide experience and choice. We understand how important inclusion and achievement is, not only for creating a sense of worthiness, but to aid growth and adaptability as well.

Support and Engagement

We provide mentor support within the work place to ensure all individuals remain engaged with their work.

Innovative Tailored Solutions & Flexible Service Delivery

We create innovative tailored solutions to meet the needs of all people with a disability and provide a delivery of service that ensures those in our care continually feel supported, embraced and safe.

Advocacy, Inclusion, Choice and Achievement

We are all advocates and with that, we are so passionate about providing inclusion, choice and achievement for everyone. We constantly support people to overcome their personal challenges.

Financial Plan Management

Our dedicated Funding Specialist works directly with participants of the NDIS Scheme to ensure they have the best possible understanding of what the individual funding means to them and how to maximise the potential of the plan.

Our Staff

Our workers are committed to providing the best service at all times. Dedicated to ensuring all individuals are treated with genuine equality and respect.

Our Commitment & Understanding

We treat everyone with warmth, respect, compassion and understanding. We believe that every person, regardless of ability, has something special to offer the world and it is our commitment to passionately support this notion.

Community Participation

We understand the importance of connection to the community and what it means to have a supportive community environment. At EBL Disability Services we ensure that everyone is supported to participate within the community and in ways that support and compliment their own ability.

Accommodation

We offer a variety of accommodation options including women's housing, men's groups, transitional housing, emergency accommodation, short stays and long-term stays.

Understanding Environment

We work closely with all families to ensure a smooth transition when it comes to relocation and change. We have purposefully created an environment that is community orientated and provides ongoing support along the way.

Our Services

EBL Disability Services was established in 1981, by a loving group of parents who came together to support each other, and help those with intellectual disabilities to live meaningful lives. To this day we remain committed to ensuring every person is supported to embrace and enjoy a rich and full lifestyle of their choice. *We provide a range of supports including:*

Short Stays

EBL understands that whether you have a disability or you care for a person with a disability, time for you is so important. Our Short Stays at Yarnbrook Cottages are designed to enhance social interaction, build relationships, support independence and create peace of mind for the person and their carer/s.

Accommodation

At EBL Disability Services, the community of which you live is completely up to you. With a range of support options, you have complete flexibility when it comes to selecting where you want to live, who you would like to live with and how you want to be supported.

Our accommodation options include:

- Men's and women's groups
- Moderate and complex care support
- 24 hours, 7 days a week

Emergency Accommodation

EBL Disability Services understands that people in crisis need an immediate response. We support people who are in the most critical of situations. Our emergency accommodation service is second to none. We have dedicated staff who work hard to ensure the best assistance possible at all times.

Transitional Housing

Our Transitional housing operates on short to medium-term tenancies, usually for a minimum period of 6 months and a maximum of 18 months. These homes are purpose built, state of the art homes which have been designed for people with physical disabilities and complex care needs.

Women's Accommodation

We have established gender specific homes for young women who are now able to live much fuller lives. Run by the young women who live there and with the support of dedicated, caring teams of female staff, we continue to witness transformation every day, with people stepping outside of their comfort zones, making new friends and doing more than they ever thought possible.

Learning & Lifestyle Programs

Our Learning & Lifestyle programs encourage a person-centred approach aimed at improving the independence, confidence, self-esteem, interaction skills and life choices of each person. These programs are centre-based and provide support for people to access a range of learning experiences, as well as recreational and social activities.

Assisted Holidays

We provide a range of assisted holiday experiences for our residents from local summer vacations to interstate travel such as exciting short stays on the Gold Coast. A team of dedicated employees ensure every holiday is truly meaningful and memorable.

Recreational Activities

Every year we develop an annual calendar full of opportunities for our residents to participate in community and recreational activities. Depending on the skill level of individuals, people with a disability can access mainstream sport competitions, modified activities, or disability specific programs.

We lead by example, treating all in our community with genuine respect and equity

We encourage people to believe in their ability to achieve independence, with support and individual choices

We partner and advocate for our community to overcome challenges to fulfill aspirations and provide peace of mind

We deliver quality service options that support the individual to make a positive difference in their health and wellbeing
