

Short Stays

“Accommodation that provides ongoing support and encourages independence.”

Short Stays

Our Short Stays services can be tailored to each person's needs according to their funding packages. This may incorporate activities such as community inclusion, socialisation, peer group development and life skills development.

We offer short stay accommodation anywhere from 2-7 days, including:

- Homes for children and adults
- Gender specific group accommodation (upon request)

Short Stays are designed to enhance social interaction, build relationships and create peace of mind.

Day Options

EBL Disability Services operates an interactive Day Options program 48 weeks of the year. This popular program provides many opportunities for life skill development in areas such as cooking, gardening, art play therapy, sporting pursuits, exercise and community inclusion, to name a few.

Should you wish to learn more about our programs, contact us on **08 8252 1000** or visit our website www.ebldisabilityservices.org

EBL Disability Services Inc is registered to provide supports for NDIS participants.
